Beacon Group has closed the **Steve and Kathy King Community Center at 308 W. Glenn in Tucson to the public**, and effective immediately, Beacon will be **temporarily suspending Division of Developmental Disabilities employment services** including:

- Center-Based Employment (CBE) on the production floor
- Clients receiving services at Beacon Secure
- Clients receiving services at 2700 N. Stone
- Adult day program (DTA)
- Transition to Employment (TTE) program

All **clients receiving any of these services are being asked to stay home until notified otherwise**.

All other employment services continue and people should report to work unless ill including:

- **Beacon Group clients receiving Group Supported Employment (GSE) services**, including landscaping, car washing, custodial services and other Beacon services which are performed outside of the King Center at 308 W. Glenn St., are mostly not affected, and should report to work. This includes GSE clients in Phoenix and other areas around Arizona.
- **Beacon Group staff who work on the production floor, shredding, DTA, or TTE will continue to report to work at their regular time** unless instructed differently by their supervisor.
- Beacon Group **staff who work in Group Supported programs** should continue to report to work at their regular time unless instructed differently by their supervisor.
- **Individual Supported Employment clients** should follow instructions from their employers.
- **Beacon Group staff in Phoenix** will continue to report to work at their regular time and place unless instructed differently by their supervisor.

**BUSINESS SERVICES**

- Beacon Group’s business services will continue with the exception of drop-off shredding at Beacon Secure’s Glenn location in Tucson, which was discontinued as of March 29, 2020. Business Customers should reach out to their normal Beacon point-of-contact if they have any questions.
